

Cedar Vale, Kans. Feb 4-78.
Dear Dicks. So glad to hear
from you. Am sending you
Gyle a picture of your
Grand Dad Jones, also a
Uncle Paul Jones, and Aunt
Hazel. This picture been
in my family for years, and
I'm so proud of it, and I'd
love to have it back. We were
your grandparents neighbors
years ago. My mother helped
raise your grandmother
but when she died, we
lived across the creek from
them. So I remember them all,
can't remember your Daddy
like the other family. He
could of been married than,
your Uncle Eldridge died. I
believe after your grandmother,
Grand Father H. D. Jones was
a school teacher also a preacher.
I remember him so well, I
liked him. You may know

2¹/₂ all this. There was large family
Lottie, Pauline, Zedie, Edward
Willie & Paul. Mr Edd Feltz
still living knows your history
better than I do. He is older
so when you come out we'll
drive out and see him, we
will be glad to see you both.
The last time we saw you Lyle
was at Nelson Carter's General's.
We had Mr & Mrs Edd Feltz
with us. Do you remember that.
We live in town now. But
still own our Ranch out their
neighbors of Feltz's. Mrs Feltz
died. It's hard to write ever
thing. So I do hope we will
get to see you both and visit.
You folks write us any time.

Love
Airest Harper.
