

Welcome to the GenWeb Page

of

Herkimer and Montgomery Counties, NY!

So you've discovered the Herkimer/ Montgomery Counties GenWeb page, part of the [New York GenWeb](#), the [US GenWeb](#) and the [World GenWeb](#)! My name is Martha and, together with Newport and Norway Sections Editor Bill McKerrow, Fairfield Maven and Historian Jane Dieffenbacher, German Flatts Section Editor Beverly Crim, and Contributing Editors Robert Lorick and Sandi Burns, I'm your host at the Herkimer/Montgomery Counties GenWeb. We've just passed our first year online and thank all of you who have sent us information, tips and pointers to superb historical resources, and great feedback in the past year. Our genealogical offerings are only as good as our visitors' input. If you'd like to contribute some copyright-free resources, or volunteer to assist in typing up or coding more material, please contact Martha, [Coordinator](#). Don't let the plain brown wrapper

cover fool you - this is a deep GenWeb site and we update frequently. Enjoy exploring our growing sections and features, and happy ancestral hunting!

The alphabetical index is updated through July 31, 1997. Because of the time necessary to maintain the high quality of content of this rapidly-growing overall site, and almost daily updating, I reluctantly had to discontinue the alphabetical-by-letter index.
